

:: MORE OF IT ::

## ACT 1

Scene: F-U-T-U-R-E H-O-M-E-S. Homes of the future with new abilities; that will be amazing, and you cannot believe them. We have LCD walls made of LSD, that are touch sensitive, watch movies on your wall, video chat with your friends, even rearrange paintings with folders of art. You can even throw a wild party, right brother?

Brother: Amazing parties Steven, with future homes you can have amazing everything. Amazing parties. Jake our new future homes come with moving seats so if you want to sit down you just have to select the chair you want and it will raise underneath you wherever you might be, if you are fast you can jump into the air and then land on a bed at any time

Steven: Can you guys imagine that?

Jake: We are that. We don't imagine anything, because we kill it as soon as it's sustainable. Let's Give Curtis & Ancientz a call to action. Get rid of freedom, so we have something to battle.

Steven: Submit your amazing ideas to future homes and we will feature them in our next YouTube videos, now remember that the ceiling is the limit

Brother: The ceiling is the limit

Jake: Now I know why they call you brother in the land where they kill mothers.

~~~ ACT 1 ~~~

Steven Newell: Baby hurt me, there's no violence required by the life of the times anymore.

Jake Johnson: We are the ones who made that happen.

Curtis Allen: Jake, we're not done; Many more disgusts of humanity to come. That's how it grows.

Ancients: We define the alien.

Jake Johnson: Freedom is what we preach.

Hired Camsex Girl: What do you guys want me to do?

Vince Brady: I WANT SOME MORE OF IT. Fuck buying it, I'm taking it.

## ACT 2

Scene: Steven wearing komono and under-roos

Jake: Can you teach me how to play Dungeons and Datamosh caves?

steven: and if i worked in a male strip club i would swing my arms like this

steven slowly waves arms in circular motion at all of the squares

steven: then i would land them down like this

steven slaps both hands on his thighs and makes them clap (his thighs, no hands).

Steven: oh baby thats it i love that and i want to be with you forever i love it.

steven opens up the **komond** and crawls out of it and people come dressed in black and scribbles all over stevens naked body with black markers. he lays on the couch and pasta sauce is poured all over him followed by trash and feathers. steven pounds a beer and then takes a bong rip and lights the couch on fire and falls asleep.

\*\* Jake kills steven \*\*\*

Steven is rebirthed from the (as a) **phoenix GIF**.

Jake: Are you like a GIF now? A monster-moving-pixel man?

Steven: its actually pronounced jiff and yes i am a burning bird gif now and i will always burn in this pattern. this is the order of my fire.

Jake: **Bird jiff**, my friend. I once set you on fire, and you flew back to me. Why? Why do you allow my me?
